

CFP Castlefield Sustainable UK Smaller Companies Fund

THE THOUGHTFUL INVESTOR

FACTSHEET - 30 JUNE 2022

INVESTMENT AIM:

To achieve capital growth over a period in excess of five years, from a portfolio of typically 30 to 50 listed or AIM-quoted UK smaller company shares, using the B.E.S.T proprietary responsible investment approach. To embed proper consideration of environmental, social and governance (ESG) factors as part of the investment selection process, to ensure that each investment is sustainable.

For more information about the fund's detailed investment objective and policy, contained in Appendix 1 of the Prospectus, [click here](#).

WHY INVEST?

We offer values-based investing from the perspective of being a values based manager. This includes active engagement and stewardship of each investee company on performance and environmental, social and governance (ESG) considerations - aligned to our own values. That's why we're known as 'the thoughtful investor'.

High Conviction: Portfolio of identified best ideas of smaller UK listed companies in the bottom 10% of market capitalisation.

Fundamental Research: Identification of high quality companies with opportunity for growth, at a reasonable price, above the average of its peer funds.

Integrated Responsible Investment Process: Consideration of non-financial ESG factors alongside traditional financial analysis within the selection of suitable investments.

Focus on Sustainable Businesses: Only investing within companies that are aligned with our values.

RISK WARNINGS

The CFP Castlefield Sustainable UK Smaller Companies Fund may have significant investments in smaller companies, in which there may be no established market for the Shares, or in relation to which the market may be highly illiquid. Because of this potential illiquidity in the investments this Fund may not be appropriate for all investors, including those who are not in a position to take a long-term view of their investment.

Shares in all Funds should generally be regarded as long term investments. For more information regarding the risks associated with investing in a fund please see the Prospectus.
