

# Accessibility Statement

First published: 25/01/2024 | Last updated: N/A

This accessibility statement applies to content published on [www.conbriofunds.com](http://www.conbriofunds.com).

This website is run by Thesis Unit Trust Management Limited. We have designed it to be used by as many people as possible. The text should be clear and simple to understand.

You should be able to:

- zoom in up to 400% without problems
- navigate most of the website using speech recognition software
- listen to most of the website using a screen reader

We've also made the website text as simple as possible to understand.

[AbilityNet](#) has advice on making your device easier to use if you have a disability.

## How accessible this website is

We know some parts of this website are not fully accessible:

- some pages and document attachments are not clearly written
- some pages cannot be navigated using just a keyboard
- some images do not have good alternative text
- some PDF documents are not fully accessible
- some error messages are not clearly associated with form controls

We will update the statement when issues are fixed.

## How to request content in an accessible format

If you need information on this website in a different format [contact us](#) by email or by post to Head of Compliance, ConBrio Fund Partners Limited, Exchange Building, St John's Street, Chichester, West Sussex, PO19 1UP and tell us:

- the web address (URL) of the content
- your name and email address
- the format you need – for example large print or audio.

## Reporting accessibility problems with this website

We're always looking to improve the accessibility of this website. If you find any problems not listed on this page or think we're not meeting accessibility requirements, [contact us](#).

## Compliance status

This website is partially compliant with the Web Content Accessibility Guidelines version 2.1 AA standard.

## What we're doing to improve accessibility

We are fixing the issues for each area listed above. We will update this page when issues are fixed.

We include accessibility acceptance criteria when developing new components.

This statement was prepared on 25 January 2024 and will be reviewed periodically.
